

Norwich Spikers Volleyball Club Training & Match Fees 2019/20 - Juniors

Last year Norwich Spikers moved onto a monthly or upfront payment plan, this was successful so we are continuing with this and extending it to the Junior section of our club so that now only Development League will be collected separately.

At most training/competition levels, upfront payment of the season cost will result in an overall discount, the monthly cost payment option will be collected over **10 months** starting in October 2019 through to July 2020. Please put a tick in the box next to the method of payment which suits you for each level you play at. The club membership fee (which can only be paid upfront) enables players to participate at higher levels of competition and get discounts on club merchandise. Cancellation will be possible in extenuating circumstances and applications for cancellation will be considered on their own merit.

Please email Sarah-Jane at sjandd@hotmail.com with any queries.
